FALL '24 HILFIGER COLLECTION

The birthplace of the all-American spirit, this season we pay homage to New England. From its rocky coastlines to its quaint towns, quintessential American style, traditions and icons were all born here. It's this authenticity and heritage that inspire our Fall '24 collections, reimagined for today with a distinctly Tommy twist. Made for the American dreamers, this is the spirit of modern prep in red white and blue.

For TH Collection, we look to prep classics and heritage workwear clashed with a naval twist. From rich wool pea coats to chunky cable kits, Breton stripes to cotton twill carpenter pants, we celebrate our prep icons with elevated fabrications, proportion plays and signature finishes, from our global stripe to our signature Hilfiger crest.
